Organization Strength and Structure

About Organization-

Ninad (Badlav ka Swar), Uttarakhand is a voluntary organization established in the year 2021-22 and registered under Public Trust Act, 1950, and working in the rural and urban areas of Chamoli district, Uttarakhand. The organization specially works on IT Education, Skill Training, empowerment, Institution development at local level, livelihood, Child Protection, Education, Old Age Caring and Health.

The Key Person of the Organization is closely associated with various social organisation for a long period during which developed a deep insight into the issues and problems the people of women, backward areas and rural areas of the district. The NINAD works at the grassroots level in urban and villages/hamlets for social, cultural, Mass marriages, economical, technological, and environmental development of rural and urban slum communities of the region. It visualizes itself as an agency dedicated to enabling the marginalized rural and urban slum communities comprising poor women, peasants, landless and unemployed youth to develop and improve the resource base in their own natural environment and to acquire the necessary knowledge and skills which can be used to improve their quality of life.

NINAD has adopted the concept of Community Development in terms of Organization, Social Mobilization, Continuing Education, and Rural Development Management based on local needs, resources, capacity, skills, and cultural milieu.

Vision of Organization

Economic empowerment, improved information, education to street children, Education and health services were considered to be essential elements of development programs. Central to all these have been the question of enlisting community participation, communication, and management. This vision has been the heart of NINAD.

Mission of the Organization

The mission is to facilitate and provide shelter the deprived and subjugated Old Aged, women, Children and BPL to gain access to their entitlements, which is their right and keep our environment green and clean and Providing education to street children.

With a firm belief in the essential dignity of the community and in their capability to overcome the forces that exploit them, NINAD views development as a process of empowerment, focusing on people's participation and the creation of groups and associations at the local level.

ANNUAL GENERAL MEETING

The annual general meeting of the Institution was held on April 18, 2024. The meeting was attended by all the members of the Institution, after welcoming all the members, workers and guest the Secretary requested the President to take the chair, so that, it may be started.

After occupying the chair the President, the Secretary addressed the members that the ending of March 31, 2024, the Institution has carried out several activities after that copy of audited accounts was distributed among the members showing the receipt & payment, income and expenditure and balance sheet during the referred period.

The President further emphasized upon significant achievements during the period and talked about the further plan of the Institution. The achievements of Institution during period under consideration were in form of successful implementation and handling the programme as fallows-

Major Activities during the period of 1st April 2023 to 31st March 2024…….

1. **Skill Training Programme**

The Institution has been conducting Skill Training Programme under this programme training programme on skill upgradation cum entrepreneurship development in backward community of Gairsain, Chamoli. The focus of this training was on developing the enterprises based on local resources and upgradaing the skill of artisans who were working to traditional business with absolute methods.

in this programme different training programme were conducted e.g. Sewing, Embroidery, Pot making, Dari Making, Soft toys making, wooden work, Carpentry etc., the main aim of this programme was to uplift the economic condition of people of minority community

2.**Yoga and Ayurved Awareness Programme**

Yoga asanas contribute towards physical well-being. Yoga postures done with full awareness provides a gentle massage to all the internal organs, and leads you to a relaxed state of mind. In a relaxed and steady posture, you can feel a joyful expansion. Yoga helps you become aware of your body, including the pains or discomfort in any part of the body. It is possible to release the pain, by just taking your attention to it.

The Organisation organized Two day Yoga Programme for Local People of Gairsain, Chamoli to learn Yoga, appro. 375 people attended the programme at office.

In the same Programme participants also got knowledge about Aurveda by experts of this field.

3. **Environment Conservation Programme**

Every one has fear of global warming and it is taking place in our environment, the major cause of it in reducing the forest. Lack of forest has brought much havoc to mankind like droughts; floods etc. deforestation has resulted into elapse of many species of the animal round the world. The Institution has decided to plant trees as much as possible and encourage others.

The Institute has organised awareness programme on plantation and plant protection and its importance and also aware people about different water resources like wells, ponds and its conservation.

5. **Digital Skill Training Programme for women**

Women are far behind in Digital skill then men, women are generally depend on male person in family for using digital technology gadgets,

In this training programme underprivileged women of Gairsain block of Chamoli district got training to use digital technology and also how can use digital technology for income generation like selling of any product by using digital media, get knowledge if they want to know, alike how to be the part of affiliate marketing etc. and more things of learning.

This training programme is being run at our office only for women.

6. Mera maati Mera Desh Programme

A **Kalash Yatra** organized to give Tribute to our Great Martyr Soldiers who sacrificed their lives to make secure and safe our Country. This was started in Gairsain Block of Chamoli, on this occasion Hon'ble MLA Sri Anil Nautiyal Inaugurated a Photo Gallery dedicated to our Freedom Fighters at Meeting Hall of Head office of Gairsain block.

On this event Sri Suresh Kumar Bisth (President of NINAD) remembered his Grandparent **"Subedar Jay Singh"** who was hero of Peshawar Kand, also active member of Netaji Subhas Chandra Bose team.

7. Cultural Programme and Agriculture Development Fair

The organization NINAD has been organizing Cultural Programme and Agriculture Development Fair from its inception.

This fair is being organized in Gairsain, Chamoli, Uttarakhand, in this programme being organizer, we invite people from various areas to display their products or items.

I this fair many people come to enjoy the fair and buy the products which are displayed in various stalls. Also, artists of various Arts present cultural programme to entertain the people who are came in this fair.

We organize this fair for four days, so many renowned Personalities come here to make this fair more successful.

This year the Fair is started in November Month and inaugurated by MLA Hon'ble Sri. Anil Nautiya, he got very much influenced and announced Rs. 2 lakh as financial support for this programme.

Everyone who visited the Fair appreciated the effort being done by NGO NINAD.

7. Free Coaching for competition

The organization has established Free Coaching Centre for Aspirants who are preparing for competition examinations, at this centre they get study materials as well as guidance for preparation, also coaching classes are being conducted on regular basis, and this centre is absolutely free for students.

This centre is established at Chamoli, Uttarakhand.

8. Support to needy Students of Junior Classes-

The organization every year provides Education Fee, Books, Stationery, Uniform etc. to students of junior classes who are needy and their parents can not effort the expenses of study for these children.

This type of effort is boosting the confidence of needy children.

9. Health Awareness Programme

The Institution has organized Health Check-up & Relief Camp in Gairsain, Chamoli district.

In this camp a team of Doctors examined Health of rural people and provide free medicines, also distributed food packets and other essential items to them.

The experts also aware the people about precautions for prevention for health. On this occasion many renowned persons were present, President and other volunteers of the organization were also there.

10. Drug De-addiction programme

Our maximum youth are using drugs, tobacco, alcohol and other intoxicating things like brown sugar, smack, marijuana etc.

Awareness Generation Camps relating Anti-Drugs Addiction, was organized by Institution in Gairsain, Chamoli district

These Camps aimed at raising Awareness about the bad effects of Alcoholism and Drugs. The Volunteers of the Institution went to few villages to raise consciousness about the effects of Smoking, Drinking and use of Tobacco. Posters and Banners were also used to make the Presentation.

Apart from President, Secretary and Treasurer of the Institution so many renowned personalities were present in this camp.

11. Entrepreneurship Development and Training

The society has organized Entrepreneurship Development programme in Gairsain, Chamoli, the aim of this camp was to empower unemployed youths, in this camp participants youth got information of various entrepreneurs and also govt. schemes to support them to establish their ventures.

Approx. 190 youth participated in this programme.

12. Sanitation Campaign and Awareness Programme

The Institute has organised Sanitation Campaign and Awareness Programme in Gairsain, Chamoli district.

In this programme volunteers of Institution aware the people about sanitation and cleanness, also aware the people about importance of cleanness. People also got awareness about worst consequences of unhygienic environment. And also encourage people to use toilet.
